MEMORANDUM FOR THE RECORD

STATINTL FROM : [redacted]
Office of General Counsel

SUBJECT: Agreement with [redacted]

STATINTL

STATINTL 1. A question has been raised by OD&E as to whether or not one two-volume study and market survey published by [redacted] and purchased by the Agency can be made available to a contractor to assist it in performance of a contract which is expected to begin in mid-January 1977.

STATINTL 2. It is understood by the undersigned that the Agreement between the Agency as Buyer and [redacted] as Seller was signed by [redacted] according to an MFR in the CRS file. STATINTL The MFR was prepared 29 May 1975 by [redacted] after STATINTL consultation with [redacted] OGC. PD/OL reviewed the transaction and raised no objection. Moreover, this information was confirmed by [redacted] Chief, Acquisitions STATINTL Branch, CRS and [redacted] also of CRS.

STATINTL 3. According to [redacted], the Agency purchased two sets of two volumes each in accordance with pre-publication offer which resulted in a savings of \$1,000 over the normal price. The Agency accordingly purchased the sets specifically at the request of [redacted] and was reimbursed by that Agency pursuant to the Economy Act. One set was sent to [redacted] and the other STAT initially went to [redacted]. The set thereafter went to ORD STATINTL and finally to OD&E where it remains. [redacted] a project officer at OD&E indicated that a contractor wanted to use the set but the provision of paragraph 5 of the Agreement seemed to preclude that cooperation (Attachment 1). Moreover, it was noted that the limitations of paragraph 5 appear to be more restrictive than the copyright admonition expressed in the two volumes (Attachment 2).

4. After obtaining the above information and verifying from Chief, Procurement Division that certain purchases of books and materials under these circumstances are conducted directly by the Acquisitions Branch, CRS, I advised Chief, Contracting Team, Development Engineering Group, OD&E and [REDACTED] that the Agency was bound by the terms of the Agreement.

STATINTL

5. If it is desired to obtain an additional set in accordance with paragraph 2 of the Agreement, such can be done, however, written permission of [REDACTED] would still be required in order to provide the publications to an outside contractor. In the alternative, the contractor could purchase its own set. [REDACTED] indicated the work, in his opinion was not worth the initial purchase cost that a contractor would have to pay particularly in view of the overall contract cost which is about \$25,000. He indicated the matter probably would not be pursued further.
